Purchase Agreement/Health Guarantee

Thank you for deciding to purchase one of our puppies. We want to make this a stress-free enjoyable experience for you. Please feel free to email or call me with any questions or concerns that you might have.

This contract is written for the protection of both the breeder and the buyer - However, it is primarily written to protect the health and general well-being of the puppy.

Purchase Agreement

1. Please read the health guarantee completely before putting a deposit on a puppy. **By putting a deposit on a puppy, you are agreeing to the terms and conditions within this contract.**
2. We require a deposit in order to hold the puppy of your choice.
3. This deposit is non-refundable, unless there is a problem with the health of your puppy. In that case, the buyer will have their choice of a full refund or of transferring that deposit toward another puppy (if available).

Health Guarantee

1. The puppy will be ready to go to its new home at 8 weeks.
2. The puppy is guaranteed to be in good health at the time of sale and will come with a health certificate.
3. The puppy will be up to date on shots and worming at the time of pick-up of the puppy.
4. The puppy will have been vet checked and deemed in good health at the time of sale.
5. The buyer, at their own expense, should have the puppy examined by a Licensed Vet within **1 week** of receiving the puppy.

6. Documentation must be sent to the breeder within ten days in order for the Health Guarantee to be honored.
7. If within **1 week**, a Licensed Vet finds the puppy to be unhealthy or unfit for sale, the puppy may be returned for a full refund - provided the puppy has not been injured or neglected. The veterinarian must provide a written statement deeming the puppy “unhealthy for purchase.”
8. This guarantee does not cover any health issues caused by neglect or injury from the buyer.
9. This guarantee does not include minor illnesses and health issues such as colds, allergies, internal or external parasites or umbilical hernias. However, the breeder will disclose any known illnesses or health issues prior to the sale.
10. The breeder cannot assume responsibility for the puppy after the sale. It is the responsibility of the buyer to care for the puppy properly and keep it free from harm. Please remember that your puppy must be treated with great care and protected from danger.
11. The breeder assumes no responsibility for any medical expenses incurred after the sale.
12. The breeder assumes no responsibility for training difficulties or behavior problems.
13. The breeder does not guarantee size. We will give the buyer the weight of the puppy’s parents and the weight of other puppies out of that mating. We can give the buyer an educated guess as to full grown weight, but there are too many variables besides genetics.
14. The breeder does not guarantee fertility or ability to place in shows. The puppy is strictly sold as a **TOP QUALITY PET**.
15. The breeder is not responsible for puppies which develop Hypoglycemia after the puppy is in the new owner’s possession. The buyer will receive information on what to do if this occurs.
16. The breeder gives a **one-year** guarantee against any congenital defects of the puppy. If this should occur, then the puppy will be returned to the breeder.
